Please upload conditions for underwriter review and clear:

<https://www.wholesale.springeq.com/resources/training-materials/>

Spring EQ orders 4506T Tax Transcripts for Self-Employed borrowers, but it is much quicker to have the borrowers self-serve and pull them directly from the IRS website:

<https://www.irs.gov/individuals/get-transcript>

STEP 5: Closing

SEQ Team Member Contact = Account Manager

- The Underwriter sends an email to the Broker and the Account Manager that the file is cleared to close
- The Account Manager takes it from there and does the verbal verification of employment and sends an email to the broker to confirm the loan details and get the scheduling information needed.
- The Broker replies with the time, date, and location of the closing and the Account Manager goes into our "EVO" system and schedules the closing, pushing the loan in to the closer for docs to be drawn.
- Closing requests should be 48 hours out for a non-attorney state, and 72 hours for attorney states.

Any scheduling, closing changes or challenges should be coordinated through the Account Manager.

If urgent closing need after hours (between the hours of 5:00pm – 8:00pm EST) – email:
