Spring EQ[™] Non-Delegated Correspondent Home Equity Lending Matrices

Major Adverse Credit	 Major adverse credit is identified as collection accounts, charge-off accounts, judgments, liens, delinquent property taxes, repossessions, garnishments, and non-mortgage accounts currently 90 calendar days or more delinquent Collection accounts and/or charge-offs on non-mortgage accounts do not have to be paid off at or prior to closing if the balance of an individual account is less than \$250 or the total balance of all accounts is \$1,000 or less. These accounts may be left open provided they do not affect title All past due State and IRS taxes in addition to property tax liens (for the Mortgaged Property and other properties), regardless of seasoning, are required to be paid in full whether or not they currently affect title. Past due State and IRS taxes are defined as unpaid taxes due on the current or previous year's tax deadline which is generally on or around April 15th. No payment plans, or subordination is allowed 	
Liabilities	 Paying off debt to qualify is permitted (Paying down debt to qualify is not permitted) Student loans- When a monthly student loan payment is provided on the credit report, it is acceptable to use that amount (other than \$0) for qualifying purposes When the credit report does not reflect the correct monthly payment, use the monthly payment that shows on the student loan documentation (most recent student loan statement) to qualify the borrower When the credit report does not provide a monthly payment for the student loan, or if the credit report shows \$0 as the monthly payment, determine the qualifying monthly payment using one of the following options:	
Title Insurance	 Loan or Maximum Line amounts less than or equal to \$250,000: Owner and Encumbrance Property Report Loan or Maximum Line amounts greater than \$250,000: Full Title is required For piggyback transactions: Title insurance, Wire Instructions, and CPL are required for the Spring EQ proposed loan
